CALLAS BOOKSHELF

There is no diva quite like Callas—and this bookshelf carries that same sense of presence and drama. Inspired by a midcentury original and the enduring glamour of the opera icon, the Callas balances sculptural form with refined detail. The door fronts feature a symmetrical repeat of vertical ribbing, creating rhythm and depth across the façade. Set on a grounded plinth base, the piece reads as both architectural and elegant.

The Callas Bookshelf is available in one of our many bespoke wood finishes, allowing designers to tailor the piece to their specific palette and project vision. Each piece is bench-made in the USA
