A HEART ECHOS

A Heart Echos
Mixed Media on Canvas

A Heart Echos explores the lingering resonance of emotion—how feeling moves outward, repeats, and returns in quiet waves. A soft, atmospheric ground of warm neutrals, pale blues, and muted blush tones creates a layered field where structure and gesture coexist.

Balanced and contemplative, *A Heart Echos* brings a sense of rhythm and introspection to an interior—an artwork that invites reflection and rewards repeated viewing.

Canvas size: 50" x 60"
