BORDEAUX BENCH - 72" SKIRT

Bordeaux 72" Banquette
The Bordeaux was thoughtfully designed with banquette seating in mind. Tailored and structured wood create a balanced composition—soft where comfort is required, strong where structure matters. The Bordeaux easily shifts roles beyond the dining room. It works just as beautifully as a bench in an entryway, along a hallway wall, or anywhere additional seating is needed. We're delighted to offer a range of wood finishes and offered with COM (*Customer's Own Material*) upholstery gives designers the freedom to tailor both material and mood to the project's palette. South + English invites designers to indulge in the details. ***Buttons, nail trim, and welts—oh my.***
