SUSSEX BARSTOOL

The Sussex Barstool is crisply tailored, pert, and comfortably composed—designed to bring polished ease to moments gathered around the kitchen island. Its refined proportions and supportive open back design creates a silhouette that feels both light and tailored, while the cushioned seat ensures lingering comfort for everyday living and entertaining alike.

As with all South + English upholstery, COM (Customer's Own Material) is encouraged, allowing designers to tailor the barstool to the project's palette and personality.
