

A THOUSAND WORDS

A Thousand Words — DJE Original

Shadowbox framed

Graphic and expressive, *A Thousand Words* unfolds as a visual language of rhythm, contrast, and connection. A vertical sequence of circular forms—rendered in warm ochres, burnt sienna, and deep charcoal—anchors the composition, reading almost like a spine or coded narrative running through the center. Bold yet thoughtful, *A Thousand Words* invites interpretation—each viewer finding their own meaning within its layered visual dialogue. Beautifully framed in a shadowbox.

Framed size: 23.5" x 27.5"
