ALBA BAR STOOL

Alba's sleek, tailored silhouette is designed to support long, leisurely dinners—where comfort is considered just as thoughtfully as form. A duo of soft channeling shapes the backrest, descending with graceful rhythm into a generously cushioned seat. The sculptural contouring creates visual interest from every angle while offering ergonomic support that invites guests to linger and enjoy the moment. Available in a range of wood finishes and offered with COM (*Customer's Own Material*) upholstery, Alba gives designers the freedom to tailor both material and mood to the project's palette.
