## DJE- ART TANK

**DJE Art Tank Low**

The *DJE Art Tank* blurs the line between sculpture and furniture, with original art thoughtfully embedded into each door front. DJE's distinctive aesthetic embraces a rich material mix — wood, and plaster merge in dynamic interplay, where abstraction meets familiarity and geometry anchors emotion. Nothing feels static; every composition invites a second glance.

Framed within a sleek inset metal surround and finished in a variety of bespoke options.  Every Art Tank is handcrafted in solid wood and made expressly to order. Distinctive, daring, and deeply personal, the DJE Art Tank Tall transforms storage into statement — **a collectible expression of design and artistry.**

**Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA.  Your color, Your dimensions, Your wood, Your art**

Overall: W 82" x D 19 1/2" x H 30"
