GENEVIEVE KING 4-POSTER BED

The Genevieve Bed introduces a striking new expression to the South + English bed collections. Showcasing artisan-gouged pine paired with our new Gossamer finish. Masterfully carved textures rise with lightness and refinement, set in deliberate contrast to the smooth, sleek canopy structure above. The result is a study in balance — tactile and architectural, grounded yet ethereal.

A new metal canopy option is also available in five bespoke finishes, offering additional opportunities for tailored specification and visual impact.
