HOFFMAN DESK 3 DRAWER

Designers are drawn to Hoffman's sculptural details—the reeded apron, reeded column, and gilded metal leg create a composition that feels both architectural and tailored. The metal base is offered in a choice of five finishes, allowing for warmth, contrast, and patina within your project's palette. The interplay of textures lends the desk a refined presence without visual excess.

A generous work surface supports everyday functions, while expressive craftsmanship elevates the Hoffman beyond utility into statement furniture. The Hoffman Desk can be modified to including discreet channels for hidden wire management, ensuring the piece performs as beautifully as it presents.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your desk

Overall: W65 x D28 x H30

Reeded Pedestal 18" Hexagon, Metal Leg: W 3" x L25"
