

AND I TOUCH

And I Touch; Modern art for uncommon interiors. The canvas is noteworthy for texture, layers of glazed and overpainted documents and artist graffiti. Take note of Linwood's language: rich brush strokes, bold color, graphic shapes, casual calligraphy. Boldly finished with a clear poxy top coat this piece is truly a one of a kind. Beautifully framed in Clean white Frame.

Beautifully Framed In White Framed size: 44 x 63
