LUCIANO COUNTER STOOL

You'll find Luciano holding court at the bar—modern, sleek, and undeniably handsome. Its clean-lined silhouette is defined by a sculptural frame dipped in modern brass, creating a warm metallic glow that elevates the stool's refined profile. The tailored upholstered seat and backrest introduce comfort and contrast against the slender metal frame, striking a balance between contemporary style and everyday functionality. Designed to anchor sophisticated bar and counter spaces, Luciano brings polish and presence to the room—proof that modern design can be both striking and effortlessly inviting.
