MONTAGUE COFFEE TABLE

The Montague Coffee table is a quiet study in seamless form—where solid wood and spacious proportion resolve into a composition of clean, modern lines. The silhouette recalls the restrained elegance of early 20th-century minimalism, with subtle reference to the architectural clarity of the 1920s. Defined by clean lines, quiet proportion, and a refined architectural frame, the coffee table functions as both furnishing and form.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your coffee table
