SWEETEST TEARS

Sweetest Tears
Mixed Media on Canvas with Rustic Frame

Sweetest Tears is a striking original by Atlanta artist Linwood, where emotion is conveyed through layered abstraction, poetic symbolism, and richly textured mixed media. A moody palette of charcoal, slate, cream, ochre, and deep blue creates a contemplative landscape, while bold geometric forms and hand-drawn marks reveal themselves with every viewing.

Created with layers of paint, graphite, charcoal, and found materials, the surface carries remarkable depth and tactile richness. As with all of Linwood's originals, every layer uncovers another story, inviting viewers to linger and discover new details over time.

Overall Size: 39" × 87"
