ART TANK TALL-DJE

DJE Art Tank Tall

The *DJE Art Tank* stands at the intersection of fine art and furniture — a striking example of functional artistry reimagined. Each cabinet is a canvas, showcasing Linwood's masterful fusion of media: acrylic, oil, watercolor, pastel, pencil, and collaged found objects merge in unexpected harmony. The result is a singular piece that invites both contemplation and conversation.

Framed within a sleek inset metal surround and finished here in *Black Coffee*, every Art Tank is handcrafted in solid wood and made expressly to order. Distinctive, daring, and deeply personal, the Art Tank transforms storage into statement — **a collectible expression of design and artistry.**
