

AUBREY CABINET 2-DOOR

The Aubrey Cabinet 2-Door is our chameleon with adaptable doors and drawers to fit specific design needs. Shown here in Walnut on Cherry wood with Gold panel accents on the doors. As part of the S+E Bespoke collection it is a candidate for endless customization. If Aubrey's standard dimensions and specs don't suit you (or your floor plan), changes are a snap - from sketch to CAD to approval. The cabinet is available in any of our Bespoke woods and finishes, with always the ability to mix it up as shown. Bench Made with care in USA.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 6-8 week lead time.
