BARRINGTON COFFEE TABLE

Let's triangulate, shall we? Barrington's beautifully paneled three-point base happily resides at the intersection of style and timelessness. Crafted in solid wood and available in one of our bespoke finishes, the Callas Coffee Table is designed to anchor a living space with confidence and restraint. As part of the S+E Bespoke Collection, finishes and dimensions can be tailored to your project palette and floor plan—allowing designers to create tonal harmony or intentional contrast.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your coffee table
