BEGIN AGAIN

Linwood; Atlanta-born artist is know for making modern art made for uncommon interiors. Begin Again is no exception. This canvas is loud and tells its story through the bold, contrasting colors throughout. The epitome of Linwood's language: rich brush strokes, bold color, graphic shapes, casual calligraphy. As always, understated bateau symbolism suggesting the journey.

Beautifully Float Framed In Gold Floater style.

Framed size: 62" x 50"
