

BERGERAC CABINET

We are inspired by Bergerac's elegant simplicity. Brilliantly crafted with hand wrought floating style base and simple catch release closures eliminating the need for hardware. Shown in White Oak Veneer and Celestial Gold metal base but as part of the S+E Bespoke collection is a candidate for endless customization. If the Bergerac's standard dimensions and specs don't suit you (or your floor plan), changes are a snap - from sketch to CAD to approval. Bench made with care in USA

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 6-8 week lead time.

Overall: 84W x 29D x 31H
