

BIANCA DINING SIDE CHAIR

Start with a classic. Next, shift, pivot, redefine. Scale it up or down. Exaggerate a feature or pare one back. That's how we roll at South + English. □ Case in point: Ye Olde Bobbin Chair, upfitted for today. Meet Bianca. We love the sleek inky finish and the tight (but comfy) seat. Available in a choice of wood finishes, plus linens, velvets and your own COM. Faux cheetah, anyone??
