BIANCA DINING SIDE CHAIR

The Bianca Chair is our modern take on Ye Olde Bobbin Chair—reimagined for today with a sleeker profile, tailored proportions, and a confident contemporary edge. The familiar turned detailing is distilled and refined, with select elements exaggerated and others pared back to create a silhouette that feels both rooted in tradition and refreshingly current. Rows of sculptural bobbin turnings form the chair's distinctive frame, bringing rhythm, texture, and a sense of playful craftsmanship to the design. **Available in a range of finishes and offered with COM (Customer's Own Material),** allows designers to tailor both material and mood to the project's palette.
