BLIXEN DINING CHAIR

The Blixen Dining Chair brings an expressive, fashion-forward perspective to traditional upholstered seating. Its sculptural silhouette is defined by a gently curved back, tailored arms, and slender tapered legs, creating a profile that feels both elegant and distinctive.
Designed to celebrate bold textile pairings, Blixen combines contrasting upholstery with precision piping that traces its curves and highlights the craftsmanship of the frame. Fully customizable in fabric, finish, and detailing, the Blixen is made to be personalized—equally compelling around a dining table or used as an occasional accent chair.
