BRANAGH COFFEE TABLE

Puzzle solved. The Branagh Coffee Table simply works, as two independent pieces that have the ability to interlock and form a single table or can go their separate ways, ever versatile in a design plan. Shown in Starry Sky Oak, but mixing finishes is absolutely encouraged (do shop all the glorious options). This cocktail table pairing is yours to reinvent, as we have. It's based on an unusual midcentury piece found in France. Bench-made in America. Clean Slate Collection.
