

BRIGHAM DECORATIVE PANEL

South + English covets pattern, shape and texture. Especially when they coalesce in a work of art. So it is with Brigham, a honeycomb-pattern decorative panel in a choice of two finishes – gesso-inspired Sculptor White and glimmering Oralia Gold. Both finishes engage and soothe the eye. Decorative panel mounted in a white shadowbox frame surrounded by a white linen mat; topped with acrylic. Custom framing options available. Simply [email](#) now.
