

## FIRENZE DINING TABLE, ROUND

Firenze is famous for its architecture. So too, this dining table. The intriguing metal base is faceted and sculpted in a choice of five finishes. Each undulating base is unique, pounded and fired by hand. Round tops are available in diameters of 42, 48, 54 and 60 inches, and you may choose from two table edge styles: straight or beveled. Our Clean Slate collection is getting a name for its finishes: choose from nearly a dozen proprietary and exciting options.
