

## BRIGHAM DINING TABLE

Honeycomb is back. Based on a mid-century vase found in an English antique store, the Brigham dining table base repeats a honeycomb pattern, beautifully executed in Sculptor White or Oralia Gold. Choose from a selection of specially calibrated and nuanced oak finishes for the table top to make it your own. Two tabletop edge styles are available: straight or beveled and custom sizes are welcomed. Made in America.

Choose from Round Tops with a beveled or straight edge in the following sizes:

DIA 42 (H 1.25)

DIA 48 (H 1.25)

DIA 54 (H 1.25)

DIA 60 (H 1.25)

Base: DIA 24" x H28; combined base and top H approximately 30"
