

BROOKMAN CONSOLE TABLE

A ribbon-like band of tole' metal traces the perimeter of the Brookman Console, lending a subtle architectural edge to an otherwise restrained silhouette. Crafted from solid wood, Brookman balances material honesty with graphic detail—practical in function, confident in presence, and quietly distinctive in form. The metal band reads as a tailored outline, framing the console with a refined industrial note that elevates the simplicity of the piece. If you prefer a softer look, it can also be ordered without the metal trim for an all wood version. Fully custom- equally beautiful.
