CALLAS OVAL DINING TABLE

Every Dining room needs a Diva. The Callas Dining Table carries the same quiet drama and sculptural rhythm that define the Callas collection. Inspired by midcentury original and imbued with a sense of tailored glamour, the design features a composition of vertical ribs that wrap the silhouette with architectural cadence. Appliques are crafted from solid wood and individually mounted on to a metal drum- available in all of our bespoke finishes. Solid wood oval tops are offered in custom racetrack or elliptical shapes, allowing designers to select the profile best suited to their space and seating plan. A choice of straight or beveled edges further refines the silhouette.
