CALLAS TALL CABINET

There is no diva quite like Callas—and this tall cabinet carries that same sense of presence and drama. Inspired by a midcentury original and the enduring glamour of the opera icon, the Callas Bedside balances sculptural form with refined detail. The cabinet door fronts feature a symmetrical repeat of vertical ribbing, creating rhythm and depth across the façade. Set on a slender legs, the piece reads as both architectural and elegant.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your cabinet

Overall: W 45" x D 18" x H 84"
