CAROLYN BOOKCASE

Carolyn is an updated idea based on a vintage bookcase we saw in France. The design features floating shelves supported by sculptural uprights that subtly reference the architectural language of Gio Ponti—light in appearance, yet purposeful in structure. The result is a composition that feels both collected and contemporary, offering visual rhythm without visual weight.

Available in all of our bespoke finishes on either solid oak (as shown) or solid maple, the Carolyn Bookcase invites creative expression through material and finish.

Overall: W 60" x D 15" x H 72"
