

## CATALINA 4-POSTER BED

Think of the Catalina bed as a room within a room. How's that for convenient getaway. Tall, *light* and handsome, the four posters and headboard stand (formidably) nearly eight-feet tall. With alternating horizontal/vertical block carvings from top to bottom, the posters are quite like sculptural totems. Catalina is beautifully brought to life in our Oystershell finish. The upholstered head/footboard is shown here in a designer COM (which are always welcome) or your choice of South + English's swell linens and velvets.
