CATALINA KING BED

Think of the Catalina bed as a room within a room. How's that for convenient getaway. Tall, *light* and handsome, the four posters and headboard stand (formidably) nearly eight-feet tall. With alternating horizontal/vertical block carvings from top to bottom, the posters are quite like sculptural totems. Catalina is beautifully brought to life in our Oystershell finish, or you can get colorful with our Kaleidoscope paint match program. The upholstered head/footboard is shown here in a designer COM (which are always welcome) or your choice of South + English's linens and velvets.

King: W83 x D87 x H72 – (7 Yards C.O.M.)
