CHELSEA BEDSIDE

Chelsea Bedside
The Chelsea Bedside celebrates the beauty of texture and hand craftsmanship. Crafted in hand-gouged pine, the piece features a richly tactile surface that introduces depth, movement, and artisanal character to its otherwise clean, tailored silhouette.

Its simple architectural form allows the hand-worked detailing to take center stage, creating a bedside table that feels both rustic and refined. A single drawer provides discreet storage, while the open lower shelf offers space for books, decorative objects, or bedside essentials.
