

COPENHAGEN DINING TABLE, ROUND

Copenhagen is a homage to classic midcentury modern design with a series of options that are all today. Let's start with the iconic pedestal base in a choice of three finishes: black, brass and white. Working our way up, select from four round table tops sizes. Bespoke customization by the inch. Next, add some edge: your choice of a sculpted beveled edge or a modern non-nonsense straight edge. Lastly, choose from a palette of mesmerizing designer finishes on solid oak or walnut. Bench-Made in USA.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 10 week lead time.
