DAUPHINE DAYBED WOOD

Dauphine is a divine divan—equally at home in a swanky drawing room as it is stepping up as a chic sleeper when guests stay the night. Its sculptural silhouette features a customizable wooden frame with inset, scooped bolsters at each end, creating a look that's both refined and inviting. Upholster Dauphine in a raft of luxurious velvets, tailored linens, or your own COM to suit the mood of any space. A true multitasker with unmistakable style.
