

EASTON DRESSER

The traditional chest of drawers gets a modern update. Rounded edges and solid wooden base and pulls allow Easton to make a statement while being completely functional. Bespoke pieces are solid-wood and made expressly for you. Our Bespoke finishes are specially calibrated and nuanced. Customization by the inch is always an option. Bench-Made in USA.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.
