

ELGIN COFFEE TABLE

The Elgin Coffee Table is a quiet study in seamless form. The Metal Graphite frame and spacious Glass tabletop unite in clean modern lines, reminiscent of minimalist designs of the 1920s. The Wooden Bottom can be customized from Ash, oak or maple to fit into any design. Bench-Made in the USA, available in any of our Bespoke finishes.

You can create, it won't add to your wait - Bespoke customizations by the inch are welcomed and will not alter our speedy 6-8 week lead time.
