ENAMOUR CALM

Enamour Calm

Long, expressive black brushstrokes cut across soft, neutral fields, creating a composition that feels both intentional and quietly emotive. The canvas reveals a layered texture—marked by subtle graffiti, hidden numerals, and the artist's own notes—invparting depth and intrigue beneath the surface. The result is confident and assured; a study in restraint that feels serene, composed, and timelessly unchanged.

Canvas Size: 48 x 36/ Framed Size: 50" x 38"
