

FALLING INTO THE SKY

Linwood; Atlanta-born artist is known for making modern art for uncommon interiors. This playful piece has a tasty theme. The canvas is noteworthy for texture, layers of glazed and overpainted documents and artist graffiti. Take note of Linwood's language: rich brush strokes, bold color, graphic shapes, casual calligraphy and - as always - understated bateau symbolism suggesting the journey.

Beautifully Float Framed In Gold Floater style.

Framed size: 48" x 62"
