

FALLING INTO THE SKY

Linwood, known for his creative themes and bold style. Falling Into The Sky, a perfect example. The stripes of color are especially notable in this piece. Take note of Linwood's language seen in this piece: rich brush strokes, bold color, graphic shapes, casual calligraphy and - as always - understated bateau symbolism suggesting the journey. Also note the careful strategic paint drippings across the canvas, a true display of Linwood creativity.

Beautifully Float Framed In Gold Floater style.

Framed size: 48" x 62"
