

## FELICITY MIRROR

You'll like what you see in Felicity. Her reflection is quite like a frame portrait - of you (of course). The interior frame is scalloped with a smart rectangular surround. Choose from a raft of Clean Slate finishes, including endless Kaleidoscope paint choices. And - here's the rub - mixing finishes is absolutely encouraged, as are customizations. Like all Clean Slate selections, Felicity is made by hand in America, with speedy lead times in about eight weeks!
