FERVOR, ORIGINAL ART

The artist Linwood doesn't wear his heart on his sleeve. Rather, he puts heart and soul on canvas. "Fervor" is aptly named. This original mixed media on canvas is a riot of color, collage and typography. The closer you look, the more you'll feel the fervor: A fleet of bateaux (a Linwood signature), vintage seed catalog pages collaged and glazed, and the artist's own graffiti to underscore essential themes. Beautifully framed in Gold.
