

GALVARINO COFFEE TABLE, 1-PIECE

Truth be told, the Galvarino round coffee table was originally part of a threesome. Alas, we hate to breakup the band, but furniture design is always in service of a floor plan and a homeowner's lifestyle (it's our higher calling). Thus, the round center table has been plucked out of the Galvarino trio, and is available solo in four fab finishes: Pitted Stone, Sculptor White, Night Sky Walnut and Aged Modern Brass. Cheers!

Overall: Dia 28 x H18.5
