GASTON CONSOLE

Gaston is an exercise in restraint—defined by clean lines, quiet proportion, and a refined architectural frame. The open, rectilinear silhouette creates a sense of lightness and balance, allowing the piece to function as a subtle anchor within a space rather than a dominant statement. Its simplicity of form makes it endlessly versatile, equally at home in an entry, behind a sofa, or along a gallery-like corridor.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your console

Overall: W 65" x D 16" x H 33"
