HAMPTON CABINET

The Hampton Cabinet floats seamlessly in brilliantly crafted Oak. Shown in Chatsworth White Oak with Smoke Grey Oak turnings; but as part of the S+E Bespoke collection is a candidate for endless customization. If the Hampton's standard dimensions and specs don't suit you (or your floor plan), changes are a snap - from sketch to CAD to approval. Bench made with care in USA

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 6-8 week lead time.
