

HAMPTON CHAIR

South + English claims many eclectic loves, among them bobbin chairs and Brancusi sculpture. Both loves are evident in the Hampton Chair. Hampton is a modern reinvention of a casual country favorite - the bobbin or spindle chair, but here the architectural framework - in a choice of any Bespoke oak finish - tips a hat to modernism. Bench-Made in USA. Dress Hampton as you will, with either a straight or bolstered seat back, in a fabric of your choice.
