HAMPTON TWIN BED

The Hampton Bed is a fresh interpretation of a classic form—rooted in tradition yet unmistakably modern in expression. Four sculptural posts, defined by hand-lathed turnings, bring proportion, and architectural presence to the silhouette. Crafted in solid wood and built to specification, the Hampton Poster Bed pairs heritage technique with tailored flexibility.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your bed
