HELSINKI COUNTER HEIGHT TABLE

Helsinki Counter Height Oval Table
The Helsinki Counter Height Table brings sculptural clarity and refined detail to elevated dining and gathering spaces. Its tapered pedestal base is defined by vertical reeding, creating a rhythmic interplay of light and shadow that adds depth while maintaining a clean, Nordic-inspired restraint.

Above, the oval top introduces softness and flow, encouraging conversation and easy movement around the table. A studded edge detail lends a subtle note of texture and craftsmanship—an understated accent that elevates the otherwise minimal silhouette.
