HOFFMAN DINING TABLE

The Hoffman Dining Table is elegantly composed, pairing architectural function with a note of refined glamour. A single gilded metal leg provides a striking visual counterpoint to the reeded wood hexagonal base that grounds the design with quiet strength. Thoughtfully proportioned for casual dining and gathering spaces, Hoffman brings modern sophistication to kitchen islands, breakfast rooms, and hospitality settings.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your dining table

As Shown: Top W 84” x D42”/ Reeded Pedestal 19.5"
