

HOFFMAN DINING TABLE

Designers love Hoffman's reeded hexagonal base and gilded metal leg. But, one might ask, is it art or is it a fab dining table?? You choose! As part of our Bespoke collection, the Hoffman dining table is available in any of wood and metal finishes. Bench-Made in the USA. Choose from a beveled or straight edge in any customize size.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 6-8 week lead time.

Standard Top Size: W96 x D40 x H30 - (1.25" or 1.5" Table Top Thickness)
