INTENSELY SILENT 1 & 2

Intensely Silent I & II

Framed as a complimentary pair, *Intensely Silent I & II* offer a refined, meditative presence—perfectly suited for spaces that value nuance, balance, and quiet sophistication. A quiet dialogue unfolds across *Intensely Silent I & II*, where repetition, restraint, and subtle variation create a deeply contemplative pair. Each composition explores a shared visual language—layered circular forms rendered in tonal blues and soft neutrals—yet no two marks are the same, giving each panel its own rhythm and voice. Each Piece is beautifully Float Mounted In White Shadowbox style.

Framed size: 21.5" x 26" each
